...

Written by an interdisciplinary team of scholars, this substantial volume offers a wide-ranging examination, from a Christian perspective, of the many complexities surrounding gender relations, showing how they have changed and how they still need to change if we are to be the men and women God meant us to be. No other book treats the systemic embedding of gender issues in all areas of life.

...

" After Eden covers an impressive range of feminist thinkers and
positions, and will serve as an excellent course text and a superb
guide to the literature. It introduces issues clearly, makes
balanced and sophisticated judgments about the relative merits
of positions, but also develops a constructive argument.
