The word government has a Greek origin, kyvernites, which means "governor," or "rudder." Government is a body or organization that has the power to make and enforce laws and regulations for a certain territory. Government refers to the act of governing, meaning exercising authority over a community or a country. It is a system by which a political unit is governed.

Encyclopedia of Government and Politics - Google Books

A government is the system or group of people governing an organized community, often a state. In the case of its broad associative definition, government normally consists of legislature, executive, and judiciary. Government is a means by which organizational policies are enforced, as well as a mechanism for determining policy.
