Fire extinguishers aren't obligatory (unless the property is an HMO, in which case at least one fire extinguisher must be provided on every floor), but they are a good idea and show that a landlord takes tenant safety seriously. Landlords who provide an extinguisher must arrange for them to be serviced regularly.

Ways To Cut Your Risk Now **5 documents you legally must provide as a landlord - Zoopla**

An inventory is a report which records the condition of the property/items before a tenant moves in and just before a tenant leaves, so it can be made clear what damages, if any, need to be paid for out of the deposit. Both landlord and tenant should prepare the inventory together, so the condition of the property and all items are agreed upon.
