Good list as I have run out of authors to read from this genre that are not smut books...I like a good romance, with the historical aspect, and the tender care they show their loved ones. plus I would love to have someone love me the ways these people seem to love each other.

As soon as I finished the first book in the Highland Lords series, My Highland Love, I couldn't wait to pick up the second book, MY HIGHLAND LORD by TARAH SCOTT. I am now a huge fan of Ms. Scott's.
