It gives many pictures which show how to replace the Lucas epic fuel pump with a Bosch pump.

Ford Transit Forum • View topic - lucas epic diesel ...

However the guy that replaced the seal on the pump told me that my Lucas epic injector pump really needs rebuilding and at a cost of \$1800 isn't cheap for me that's 1120 converted into pounds. He showed me the bearings have some play in them and basically it will only be a matter of time before that play in the bearings will ruin the new seal and then start leaking fuel all over again.

The solenoid acts on a valve controlling the flow of fuel to the timing actuator [11]. The timing actuator varies the position of the cam ring [12]. Closed-loop control of the cam ring position is maintained with the use of an injection pump cam ring position sensor mounted on the side of the pump [13].
