A life partner has similar interests in your life. This person is the cheerleader, the pillar of strength and support that encourages you to take risks. Unlike the soulmate, a life partner sticks around regardless of what obstacles and challenges are ahead. Life partners are spiritually and emotionally connected without egotistical notions.

5 Differences Between a Soulmate and a Life Partner

Life is a gift. When we embrace all that life has to offer, we can achieve success both personally and professionally. One way to do this is to surround ourselves with love. Love with a romantic partner, love for family and friends, and love for living life to the fullest.

140 Wise Quotes About Love, Life, and Loving Friendships

Your partner is the love of your life and there is no better way of putting it. They give you a reason to live and a reason to live happily. Once you have found a person that gives you this feeling, be sure to let them know how loved they are and how lucky you both are to have found this type of love.

...

Life isn't only about survival, it's about living and so is making love. We have sex to satisfy our lust and hunger, which is nothing, but survival, but we make love to feed our soul and our mind, to fill a void that is there since a long time, that longs for a partner and that needs someone whom we want to spend the next morning with!

Partner Quotes (222 quotes) - Goodreads

A twin flame relationship isn't about love - life partners are based on it. A life partner is someone you have true love for. You know you've found your life partner when you've identified a real, unconditional love for another and they have expressed (and showed) it towards you. It's all about love.
