## Read Online Pig Tale

Bedouin woman with pigtails, 1880s. The term pigtail appears in English in the American colonies in the 17th century to describe a twist of chewing tobacco. One of the steps in processing the tobacco was to twist a handful of leaves together to form a compact bunch that would then be cured (dried, either with or without smoking).

Both novellas concern characters whose destinies are chosen for them, who are taken advantage of, and who live in the worst dystopian societies. In Pelevin's book the protagonist is a would-be astronaut; in Pig Tales she is a woman who metamorphoses into a sow - the porcine equivalent, I would say, of a
