Serena is, by far, his most accomplished work to date. It's a spectacular book, proceeding by visions, as Rash portrays the ruthless urge of the Pembertons to cut down every tree in the world, beginning in North Carolina. The story opens in 1929, as the Great Depression overwhelms a nation.

Serena by Ron Rash | Book review | Books | The Guardian

The year is 1929, and newlyweds George and Serena Pemberton arrive in North Carolina to create a timber empire. Although George has already lived in the camp long enough to father an illegitimate child, Serena is new to the mountains—but she soon shows herself to be the equal of any worker, overseeing crews, hunting rattlesnakes, even saving her husband's life in the wilderness.
