The *Funny Little Woman* by Arlene Mosel tells the story of a little old Japanese woman who liked to make rice dumplings. One day, when she is cooking, one of her dumplings falls and rolls down a hole. The little woman goes after her dumpling and falls down the hole herself. At the bottom of the hole there is a road lined full of statues of the gods. She asks each of these gods if they had seen ...

Pictures by Blair Lent. Long ago, in Old Japan, there lived a funny little woman who liked to laugh, "Tee-he-he-he," and who liked to make dumplings out of rice. One morning, as she was patting and shaping the rice flour, one of the dumplings started to roll. It rolled across the table; it rolled to the edge of the table, and then fell right to the earthen floor. "Stop," cried the ...

Retold by Arlene Mosel - Arvind Gupta

I love the story of the brave little woman chasing her dumpling and laughing along the way. It was one of my favorite books growing up. As a hapa, I loved there was a story like this where the main character was Japanese. The illustrations are beautiful. I purchased this for a friend's new baby, so hopefully his baby will grow up loving the story as much as I did.

Writer-director Greta Gerwig (Lady Bird) has crafted a Little Women that draws on both the classic novel and the writings of Louisa May Alcott, and unfolds as the author’s alter ego, Jo March, reflects back and forth on her fictional life. In Gerwig’s take, the beloved story of the March sisters – four young women each determined to live life on her own terms -- is both timeless and timely.
